IN RE:  MIDAMERICAN ENERGY COMPANY	DOCKET NOS. TF-99-66 TF-99-67
--	----------------------------------

**ORDER APPROVING TARIFFS**

(Issued April 30, 1999)

On March 1, 1999, MidAmerican Energy Company (MidAmerican) filed its annual reconciliation of energy cost recovery factors for its electric and gas operations. MidAmerican also requested that proposed tariffs to reflect the reconciliation, identified as TF-99-66 for electric service and TF-99-67 for gas service, be approved and made effective on June 1, 1999. On March 30, 1999, the Utilities Board (Board) issued an order docketing the proposed tariffs because it had questions regarding certain costs associated with Docket No. ECR-94-3 and date references for each period of recovery.

The Board's concerns have been satisfied and, therefore, the tariffs will be approved. The Board has determined the date references for each period of recovery are correct. In addition, MidAmerican has advised the Board it will file new tariffs prior to July 31, 1999, to eliminate certain costs associated with Docket No. ECR-94-3. Amortization of these costs will be complete by that date.

**IT IS THEREFORE ORDERED:**

1. Tariff filings TF-99-66 and TF-99-67 are approved, subject to complaint or investigation, effective June 1, 1999.
2. MidAmerican shall file proposed tariffs on or before July 31, 1999, to eliminate certain costs associated with Docket No. ECR-94-3.
